

SCHOOLS FINANCIAL SERVICES

Schools Financial Services (SFS) offer a wide range of solutions to meet your financial management needs with the main aim of ensuring that schools and academies are financially well managed.

Established in 1999 SFS are an experienced and established team who provide traded services to schools and academies delivered by 45+ highly experienced staff.

SFS provide traded services and a robust compliance programme to maintained schools, academies and multi academy trusts in Kent and neighbouring authorities.

Advice and support is provided to customers who purchase the Core Financial Support Package (CFSP) which includes access to guidance documents, a remote access facility and a Help Desk manned by expert finance staff.

A dedicated training team deliver courses to over 1600 individuals each year in all areas of financial management.

Training and support for either maintained schools or academies can be tailored to meet your needs provided with expert knowledge and guidance on either a one to one or small group basis.

Also available is our e-learning programme that may provide training at a convenient time to suit you.

Please see our website www.theeducationpeople.org for further details, terms and conditions and our full price list.
